**Waste Commission\* Members** include the following communities: Town of Caledonia, Town of Dodge, Town of Gale, Town of Trempealeau, Village of Melrose, Village of Trempealeau, City of Galesville

Use this information as a guide. Specific locations and times recycling centers are open are available from your recycling contact. Recycling programs can change over time depending on vendors and recycling markets. Most of these items are taken free of charge. However, there may be a charge for items like tires, batteries, appliances, etc.

Many communities also offer a special spring or fall collection to accept bulkier items they do not usually accept. Call your recycling contact for more information about these opportunities.
