**Facebook:**<https://www.facebook.com/TrempealeauCounty4H?ref=stream>

It is finally fall and the leaves are changing colors, the days are getting shorter, and you're falling into the school routine again. This is also the exciting time of year in which we begin to see potential new members visiting our clubs to learn more about the 4-H program and meet YOU, the awesome Trempealeau County 4-H members that make our program what it is!

I challenge you to plan a fun get to know you activity or event at your upcoming club meetings so new families feel welcome and can begin to navigate the process of getting started on their own 4-H journey. These activities are also great for returning members to get new excitement about 4-H going into this new 4-H year!

October is also an exciting month because we celebrate NATIONAL 4-H WEEK! Even more of a perfect opportunity for you to promote the program to others who are not yet involved, and also to be reminded of what 4-H is all about! Encourage those you know who are interested in the 4-H program to attend the 4-H Open House on Tuesday, October 9th from 2:30 to 6:30 PM. If you are interested in helping out at the 4-H Open House please contact Sarah Tanis. And, as if you are a returning 4-H member be sure to re-enroll on 4hOnline before the official re-enrollment period ends on November 1st.

I hope you get out and enjoy the fall, encourage your friends to give 4-H a try, and look into applying for a trip or award for next year!

Yours in continued partnership,  
Sarah Tanis (Hoffman)  
4-H Program Coordinator for Jackson & Trempealeau Counties

## Glasgow Hardies Creek Busy Bees

On Sunday September 9th, the Glasgow Hardies Creek Busy Bees met at the First Presbyterian Church in Galesville. The meeting was called to order at 6:07 pm by Alexi. Sawyer led the American pledge and Aleah led the 4H pledge. Aleah read the secretary's report and Sawyer read the treasurer's report. Morgan moved to pass the secretary and treasurer's report, which was then seconded by Brianne. We then recognized Tianna's help with the sign up sheets which have made it easier for the club. Heidi then talked about if there's anyone one who hasn't turned in their record books to get them to her because she will be taking them to the extension office within the week. Alexi then mentioned that she went to a leader's board meeting to request money for our cloverbud/explorer building and also asked that if there are any officers that are available and willing to go to other club meetings to request money too. Next Alexi talked about putting a piece in the newspaper about our community service and thank all the sponsor that have donated. Heidi led our election for our new officers, which will be Alexi-President, Kim-Vice President, Morgan-Treasurer, Aleah-Secretary, and Sawyer-Sunshine/Photographer. After the election we did our buzz word activity which was "learning to learn", for this we had a guest speaker, a foreign exchange student, come talk about his journey to Wisconsin. September's meeting was adjourned by Hayley followed by Carter who seconded it.

Respectfully, Aleah Hunter

## Horse Project

On Saturday, September 8th, Geri Frederickson, along with Rylie & Jaydin Guza competed at the Wisconsin State Fair Grounds in West Allis, WI at the State 4H Gymkhana horse show. Geri is new to the horse project and competed at her first state competition. She had some really nice runs and it will be great to watch her next season as she looks to return next September to the state show. Rylie and Rosie are not strangers to the state show. This team finished out the day with 3 grands and 2 top tens. Jaydin competed at her last State Gymkhana and this year with her young gelding Prince. Prince handle the commotion of a large show like an old pro. He and Jaydin came home with a reserve championship and 2 top tens. Jaydin, we will miss watching you compete at the 4H level, but know you still be around to help our younger youth. Best of luck to you so you take your showing to the next level.

It was good to see some of our younger members as well as new members in the stands, there was much talk and planning by them for next year and state being their goal.

## Becoming a 4-H Volunteer

4-H Volunteers are valued partners in working with our youth and help make 4-H possible. In order to volunteer, previous 4-H Youth Development experience is not necessary. The most important qualification is a desire to work with young people and help them grow through educational experiences and gain positive life skills. Please consider sharing your time and talents! Adult volunteers working together with youth make a difference in the lives of young people.

Volunteers work with UW-Extension professionals to develop the life skills of youth members, thus benefiting the state, employers, and the economy. Volunteers extend the resources of UW-Extension as they work with staff to deliver educational programs. Volunteering is a privilege. How does one become a volunteer? If you have not already done so, go to Wisconsin 4HOnline and create a family profile.

If your family is already in the system, do not create a new family profile, just make sure you are entered into your family account and check that you want to be a 4-H volunteer. Then sign-up to take the Online Mandated Reporter Training for 4-H Volunteers. After signing up for the Online Mandated Reporter Training call the UW-Extension office or email [sarah.hoffman@ces.uwex.edu](mailto:sarah.hoffman@ces.uwex.edu) to set a time for your Volunteer In Preparation (VIP) training. Once you've completed your Online Mandatory Reporter training and VIP training, a background check will be conducted on you by the state and you will be contacted by GIS through e-mail requesting additional information needed in order for the state to conduct the background check.

## THE NEXT TRAINING IS OFFERED DURING CLOVER COLLEGE!

Please register for Clover College to attend and please note that if you attend the VIP Training only you do not need to pay the registration fee for Clover College
