

TREMPEALEAU COUNTY 4-H HORSE PROJECT SPONSORSHIP FORMS

Trempealeau County 4-H Horse Project facts:

- 🌻 There are over 30 youth enrolled in the project county-wide.
- 🌻 The 4-H Horse Project sponsors year-round youth centered activities. Some of the activities are: informational meetings, horse health clinics, training clinics, trail rides, horse camp, county fair competition, drill team, potlucks, and the Bronco Bucks auction.
- 🌻 There are no salaries or paid positions on the Trempealeau County 4-H Horse Committee. Many adults and older youth donate countless hours, mileage, and dollars to enable our youth to participate in the project.

Sponsorships are the main source of funding for the Horse Project. Each member of the Horse Project is asked to obtain five sponsorships. Members who receive five sponsorships are eligible for reduced Horse Camp tuition. All sponsors will be recognized throughout fair activities, and all contributions over \$50 will be added to the show program (fair).

Sponsorship fees are also used to:

- 🌻 Reimburse judges, trainers, and other horse professionals to help educate our youth.
- 🌻 Improve the fairgrounds (recent improvements include a new announcement stand, new arenas, electrical in the new barns and painting, etc.), and supporting the beautiful facility at Pietrek Park in Arcadia.
- 🌻 Bronco Bucks Auction – horse tack and supplies for youth to bid on with Bronco Bucks obtained through participating in various horse-related activities.
- 🌻 Partially funding youth for district and state shows.

Goals for upcoming years:

- 🌻 Manure Pit
- 🌻 Update Barn Electrical for safety reasons
- 🌻 Horse barn repairs/improvements
