Trempealeau County  
Fair books are LIVE and  
can be found online at  
the Trempealeau County  
Fair website!

It is finally feeling like Spring here in Wisconsin and even starting to look like it! Temperatures are rising, school is winding down and summer plans are (finally) being made! 4-H and the Extension office are offering a lot of fun programs this summer, and we can't wait to see you at the events! However, between camps, the Trempealeau County Fair, family time, and vacations, don't forget to get started on your 4-H record book!

This year we are looking to add some different options in how you can make a record book, so be on the look-out for that information online and via email!

Reflecting on your year of learning is a huge part of being a 4-H member and summer will (hopefully) provide time for you to think about all of the 4-H activities you have done over the last year. So this year I want you to go crazy with your record book: make a scrapbook, put together a video, or just stick to the traditional binder! The sky's the limit and we are excited to see what you come up with! All forms and guidelines will be updated in the next few weeks on the Record Book webpage on the Extension website.

Spend some time checking it out, maybe look over a few forms now and please don't forget to contact our office for help or if you have questions.

Yours in continued partnership,  
Sarah Tanis, 4-H Program Coordinator for Jackson & Trempealeau

## Glasgow Hardies Creek Busy Bees

On April 14, 2019 the Glasgow Hardies Creek Busy Bees met at the First Presbyterian Church in Galesville, WI. Alexi called the meeting to order at 6:13p.m.

Griffin led the American pledge and Kaleb led the 4-H pledge. Aleah read the secretary's report, there was no treasurer's report. Alexi then talked about the old businesses which was the cookbook fundraiser. She informed everyone that the link to the website for adding recipes is on facebook and if anyone has questions to please ask and they'll be happy to help. Next we talked about our new business which was to have everyone sign the Thank You cards that were passed around for our guest that came to our last meeting. Heidi then talked about the sponsor plaques for last year's community service project on the cloverbud building and what she would like them to look like. Alexi informed the members present that the next meeting will be on May 12th and we will be doing our community service project that day. Heidi discussed the community service project for the year which is cleaning the headstones of the veterans at the Hardies Creek Cemetery. Next Alexi talked about the School's Out Sheep and Swine show. Our club will be serving lunch at the show. We discussed also doing a bake sale for the School's Out Sheep and Swine show. The members present then participated in the Buzz word which was critical thinking. Sarah Tanis was our guest speaker who led the members in creating hand warmers. After everyone made their own hand warmers the Cloverbuds that went to Sunset Gardens earlier in the day shared with the group what they learned about planting flowers and what their favorite parts were. Sarah then talked about the upcoming events and related applications that have come out and are open for registration. Hailey motioned to adjourn the meeting and Jazzy second it.

Sincerely, Aleah Hunter

## Sunnyside

A quick look at the April Sunnyside 4-H meeting: we planted the May Day flowers in the Blossom Barn Greenhouse in Taylor, WI. After the planting, we had our meeting then started our Easter Egg Hunt. Every member had a maximum of twenty-five eggs they had to find, and the members had fun.

We are going to deliver the May Day flowers on May 1st for the elderly people in the communities of Blair and Taylor. We planted at least 100 pansy pots in bright spring colors. Mrs. Subra taught us all how to transplant the plants into our pots. Each family will be given a list of who to deliver to that day.

Our leader, Mrs. Everson, gave us cookies that looked like carrots during our meeting. They were AMAZING!!!!!!

Finally, the Easter Egg Hunt was a blast, we ran all around the Subras yard looking for eggs, all the families were involved in getting it ready for us to hunt after our meeting. We are looking forward to next year's Easter Egg Hunt!

Respectfully, Katerina Barczak and Abby Rolbiecki Sunnyside 4-H Club Reporters

### Wisconsin Waiver for Pullorum Testing for Poultry at Fair: Update

The law requiring pullorum testing for "persons who use poultry or farm-raised game birds or their eggs for breeding or hatching or for the exhibition at a fair or livestock exhibition" has been waived as of April 22, 2019. All 4-H members received an email about poultry testing a few weeks ago, this is an update since that email. This update is from the State of Wisconsin.

What this means: Poultry can be shown at the fair without testing this year—at least until new antigen becomes available. Notification will be sent if more antigen has become available and if it is needed to be shown at fair this year.

## Becoming a 4-H Volunteer

4-H Volunteers are valued partners in working with our youth and help make 4-H possible. In order to volunteer, previous 4-H Youth Development experience is not necessary. The most important qualification is a desire to work with young people and help them grow through educational experiences and gain positive life skills. Please consider sharing your time and talents! Adult volunteers working together with youth make a difference in the lives of young people.

Volunteers work with UW-Extension professionals to develop the life skills of youth members, thus benefiting the state, employers, and the economy. Volunteers extend the resources of UW-Extension as they work with staff to deliver educational programs. Volunteering is a privilege. How does one become a volunteer? If you have not already done so, go to Wisconsin 4HOnline and create a family profile.

If your family is already in the system, do not create a new family profile, just make sure you are entered into your family account and check that you want to be a 4-H volunteer. Then sign-up to take the Online Mandated Reporter Training for 4-H Volunteers. After signing up for the Online Mandated Reporter Training sign up to attend a VIP Training session. Once you've completed your Online Mandatory Reporter training and VIP training, a background check will be conducted on you by the state and you will be contacted by GIS through e-mail requesting additional information needed in order for the state to conduct the background check.

**THE NEXT VIP TRAINING IS OFFERED ON MAY 16TH!**

If you are interested email Sarah Tanis to schedule a time and location on the 16th to be trained!

## YQCA In-Person Training Dates

YQCA Training is required for some animal projects in order for them to be exhibited at the Trempealeau County Fair. If YQCA training is required, then all exhibitors must be YQCA certified through attending an in-person training OR through taking the training online at <https://yqca.learnrow.io/Account/Login>

All Trempealeau County in-person training dates have passed. However, you can look on the YQCA website to see if surrounding counties are having any in-person training sessions and attend those for credits if you do not want to complete the training online.

Exhibitors will also need to complete one additional educational event besides the YQCA Training. A **participation form for your additional educational requirement must be turned into the UW-Extension Office prior to July 1st**. The participation form can be found here:

<https://trempealeau.extension.wisc.edu/files/2019/03/Meat-Animal-Educational-Sheet.pdf>

Please refer to the Trempealeau County Fair book for guidelines as to what project needs to complete YQCA training. Link here: <http://www.trempealeaucountyfair.com/fair-book.html>. **NOTE: For the 2019-2020 4-H year we are looking to go completely online for YQCA trainings.**
