JUNE 2019

Dear 4-H Families and Friends:

It is JUNE DAIRY MONTH, the true beginning of summer with school ending, and we have a new intern starting at the Extension Office this week - so there are a lot of things to be excited about!

First off, we'd like to remind everyone that the Trempealeau County Dairy Breakfast is the second Saturday in June (5/8) at the Mary & George Gierok Farm in Independence. This is a great event to go to in order to help support our local farmers and those in the community that support the 4-H program so well. Also, it's a great time to break out your cow or dairy jokes!

Why do cows have
hooves instead of feet?

They Lactose!!

Next, we want to remind everyone that summer is kicking in to high gear here with a LOT of upcoming events for youth and families to participate in, lots of ways to promote 4-H, and more opportunities to start working on your 4-H projects! Now that schools almost out please take full advantage of the summer activities that are planned and the good weather. Check out upcoming events through the Trempealeau County 4-H Facebook page and the 4-H Extension page that has been recently re-vamped!

Lastly, we are excited to announce that our new summer intern will be starting this first week of June and her name is Anna Drazkowski. We are excited to have her help us with both the 4-H program and with Youth and Family events over the summer!

Yours in continued partnership,
Sarah Tanis, 4-H Program
Coordinator for Jackson &
Trempealeau

Shout Out:

Shout out to 4-H volunteer and club leader Heidi Johnson for all of her work in planning, coordinating, and executing the 2019 Cloverbud Events!

Heidi has planned the all of the Cloverbud events and helped the program get off of its feet! The goal has been to provide opportunities for our 4-H youth in grades 5K through 2nd grade and get them connected to the 4-H program. So far, because of Heidi, Cloverbuds have been able to: learn about flowers and plant them at and also talk with a community member to learn about cement figurines and how they are made.

Thanks for all the work that you have done, and are continuing to do Heidi!

Please visit our website for up to date event info:

<http://trempealeau.uwex.edu/4hyd/>

The calendar posted in this newsletter will be posted for three months out. If you have questions about events happening in months not listed in this newsletter please refer to the above website for the most up-to-date information about events and announcements, or contact your 4-H Program Coordinator Sarah Tanis.

Cloverbud Program

This year we are excited to introduce a Cloverbud Project Series! The Cloverbud program is an educational program designed for children in 5K-2nd grade. The main goal of the Cloverbud program is to provide a welcoming, safe, and hands-on experience that promotes children's healthy development, represented in the 4-H's: HEAD, HEART, HANDS, and HEALTH. All Cloverbuds are welcomed and encouraged to participate!

This year for the Cloverbud Program we have done the following events:

- Sunday, April 13th Cloverbud youth went to Sunset Gardens in Galesville, to get a tour and make a planting project to bring home!
- Sunday, May 26th Cloverbud youth went to 'Tour of Statues' at a local shop just outside of La Crosse. Youth got to learn about how one of our community members makes all sorts of statues out of cement!

Get your clubs meeting minutes in the newsletter!

Submit your minutes from your last meeting for admission in the CLOVER dispatch so your members can see the highlights and other clubs can see your good example! Email Sarah by the 20th of each month at sarah.tanis@wisc.edu to get your minutes in the newsletter!

Wisconsin Waiver for Pullorum Testing for Poultry at Fair: Update

The law requiring pullorum testing for “persons who use poultry or farm-raised game birds or their eggs for breeding or hatching or for the exhibition at a fair or livestock exhibition” has been waived as of April 22, 2019. The waiver will remain until it is determined that pullorum antigen is sufficiently available. It is unclear when that date may be.

All 4-H members received an email about poultry testing a few weeks ago, this is an update since that email. This update is from the State of Wisconsin.

What this means: Poultry can be shown at the fair without testing this year—at least until new antigen becomes available. Notification will be sent if more antigen has become available and if it is needed to be shown at fair this year.

Entry Tag Pick Up for Drawing and Painting Exhibitors

The fair board changed the normal fair clean up/entry tag pick up day to July 13th, which is the same day as drawing and painting judging. We now need to get the entry tags to those exhibitors ahead of time to prepare for the judging on July 13th. Here are the scheduled times that only drawing and painting exhibitors can pick up their entry tags.

Entry tag pick up time for drawing and painting exhibitors only - at the Fair office:

- Friday, July 12th from 5-6pm
- Saturday, July 13th from 8-9am (drawing and painting entries need to be in place by 9am)
- Entry tags for all other exhibitors will be available on Saturday, July 13th at noon for those who have paid their entry fee, and at 1:15pm for those that have not paid their entry fee yet.
- Entry tags will also be available on Wednesday, July 17th from 10am to 6pm.

If you absolutely cannot make one of these times, please contact Cindy at tcfair@live.com

Fair Clean-up & Entry Tag Pick-up

Please note that the Fair Clean-up and Fair Entry Tag Pick-up date has CHANGED.

The new date for Fair Clean-up and Fair Entry Tag pick-up will be Saturday, July 13th, 2019 starting at 10 AM.

Please note that the special fair project this year will be painting the fence, so please wear appropriate clothing. Also, if anyone has extra paint brushes that they can bring, please bring them to help with the project!

Missing Fairbook Pages

Some pages are missing from some, but not all, of the Fair books this year. The books with the missing pages are as follows:

- After page 42 it skips to page 45 (so page 43 and 44 are missing) (Jr. Poultry & Horse)
- After page 56 it skips to page 59 (so page 57 and 58 are missing) (Drawing/Painting and Cultural Arts)

You can find the fair book online as well here: <http://www.trempealeaucountyfair.com/fair-book.html>

Junior Livestock Participants

Jeni Balk from the Arrow Shopper is wondering if you wish to take advantage of space available on the “thank you” pages for the auction in 2019?

There are 40 ad spaces available. Once all the spaces are sold, regular rate will be charged. Take advantage of the \$35 rate and save yourself \$17.00.

New this year, the pages will be in both papers. There is a printable form to fill out prior to the auction, to make the process go faster and smoother. The form can be found here: <https://trempealeau.extension.wisc.edu/2019/06/03/junior-livestock-auction-participants/>

Deadline to take advantage of this is Wednesday July 24th, 2019 at noon.

Please remember this is a cash or check ad and payment is due at time of ad placement. Call or email Jeni at: Jeni@arrowshopper.com or 608-863-3905

Fair Entry Deadlines

Junior Exhibitors paper entry deadline is June 15th. Online entry forms are due on or before June 30th. All exhibitor payments must be postmarked or paid online by June 30th to avoid a \$20 late fee.

If you have fair related questions:

The fair is put on by the Fair Board who is comprised of Trempealeau County Agricultural Society members. If you have fair related questions, including Fair Entry questions, you can reach out to Fair Board members or the Trempealeau County Fair Secretary, Cindy George, at tcfair@live.com.

Proceeds from the event will be invested in the Talen Endowment for 4-H Arts Programming and in other arts programs for the next 4-H calendar year.

Record Books

We are excited to announce that later this month we will be coming out with more options in how to make a 4-H record book! Be sure to keep an eye out on our website and your email!

Becoming a 4-H Volunteer

4-H Volunteers are valued partners in working with our youth and help make 4-H possible. In order to volunteer, previous 4-H Youth Development experience is not necessary. The most important qualification is a desire to work with young people and help them grow through educational experiences and gain positive life skills. Please consider sharing your time and talents! Adult volunteers working together with youth make a difference in the lives of young people.

Volunteers work with UW-Extension professionals to develop the life skills of youth members, thus benefiting the state, employers, and the economy. Volunteers extend the resources of UW-Extension as they work with staff to deliver educational programs. Volunteering is a privilege. How does one become a volunteer? If you have not already done so, go to Wisconsin 4HOnline and create a family profile.

If your family is already in the system, do not create a new family profile, just make sure you are entered into your family account and check that you want to be a 4-H volunteer. Then sign-up to take the Online Mandated Reporter Training for 4-H Volunteers. After signing up for the Online Mandated Reporter Training sign up to attend a VIP Training session. Once you've completed your Online Mandatory Reporter training and VIP training, a background check will be conducted on you by the state and you will be contacted by GIS through e-mail requesting additional information needed in order for the state to conduct the background check.

**THE NEXT VIP
TRAINING IS OFFERED
ON WEDNESDAY,
JULY 17th!**

If you are interested email Sarah Tanis to schedule a time and location on the 17th to be trained!

YQCA In-Person Training Dates

YQCA Training is required for some animal projects in order for them to be exhibited at the Trempealeau County Fair. If YQCA training is required, then all exhibitors must be YQCA certified through attending an in-person training OR through taking the training online at <https://yqca.learngrow.io/Account/Login>

All Trempealeau County in-person training dates have passed. However, you can look on the YQCA website to see if surrounding counties are having any in-person training sessions and attend those for credits if you do not want to complete the training online.

Exhibitors will also need to complete one additional educational event besides the YQCA Training. A **participation form for your additional educational requirement must be turned into the UW-Extension Office prior to July 1st.** The participation form can be found here:

<https://trempealeau.extension.wisc.edu/files/2019/03/Meat-Animal-Educational-Sheet.pdf>

Please refer to the Trempealeau County Fair book for guidelines as to what project needs to complete YQCA training. Link here: <http://www.trempealeaucountyfair.com/fair-book.html>. **NOTE: For the 2019-2020 4-H year we are looking to go completely online for YQCA trainings.**
