Trempealeau County Fair books
are LIVE and can be found online
at the Trempealeau County Fair
website!

We had a wonderful time at Camp Kinnissippewa in the middle of June and the youth who attended camp had a chance to participate in activities such as: archery, swimming, sand-crafts, games, climbing wall, and so much more! If you attended camp be sure to share what you learned with others and maybe even bring something you made as a fair project!

Speaking of the fair—It is almost FAIR TIME everyone! I hope you are all working diligently on your fair projects, learning new things in the process, and gaining new experiences through your project work! I am very excited to see all of the work that you have put into your projects, to hear about how you made your projects, or to hear about how you care for your animals!

While your fair projects and 4-H is in the front of your mind, don't forget to start working on (if you haven't already) your 4-H Record Books as they are due to the Extension office on September 1st. Please note that we have *NEW* options for Record Book formats this year AND that your club leader may require Record Books to be due at an earlier time.

Yours in continued partnership,
Sarah Tanis,
4-H Program
Coordinator for Jackson &
Trempealeau

Shout Out:

Shout out to Cami Subra, Paige Subra, Isabelle Mooney, and Olivia Mooney for representing Trempealeau County 4-H by being on the Wisconsin State Art Team!

The Wisconsin State Art Team has an element that they get to work with each year—this year it was salt—and with that element they create an exhibit or sculpture. The team also sets up the State Art Exhibits (the two that were selected from every county) for the WI 4-H & Youth Conference Members to look at!

Great work ladies and thanks for being such great leaders!

Please visit our website for up to date event info:

<http://trempealeau.uwex.edu/4hyd/>

The calendar posted in this newsletter will be posted for three months out. If you have questions about events happening in months not listed in this newsletter please refer to the above website for the most up-to-date information about events and announcements, or contact your 4-H Program Coordinator Sarah Tanis.

G/H Creek Busy Bees

On June 9th, the Glasgow Hardies Creek Busy Bees met at the Glasgow-Hardies Creek Community School House. Following the American 4-H pledge, Morgan read the treasurer's report. A motion was made and passed to approve the treasurer's report, we did not have a secretary's report this month. Alexi reminded everyone to sign a thank you to be sent to the Ettrick VFW for their monetary donation. Our club discussed other options to get more recipes added to our club's cookbook fundraiser, and we have decided to extend the recipe deadline date to a later date, this date will be determined in a future meeting. We had a very successful turn out for members who volunteered to help run concessions and the School's Out Sheep and Swine Show. Tiana gave an update in what weeks still need to be filled to mow the school house lawn, as well as the shifts that are still open for the 4-H food stand at the fair. We discussed with a smaller number of members and a younger club in general, we will need to find a way to schedule for a variety of members of various age groups to work during our food stand shifts. We discuss more about signing up for those open food stand shifts at fair clean up on July 13th. Some of our members showed interest in helping out a community member for a donation to our club, Heidi will send those members an email with further information, including a date. Our members would also like to take up the opportunity to showcase some of our smaller fair projects at the nursing home in Galesville, the week after the fair. We decided to decline the opportunity to serve pancakes for the Mason's on Friday morning due to other commitments we've already made. Members involved in livestock have decided to do our own theme in barns/buildings, while still incorporating our club name to our decorations. Judy Byom had asked if we would be interested in participating in the Pie and Ice Cream Social at the Glasgow-Hardies Creek Community School House on July 7th, so we decided as a club to move our monthly meeting a weekend forward to participate in this event held by the surrounding community and past generations of our 4-H club. The GHC Busy Bees ended their June meeting with a June dairy month obstacle course which included our "buzz word" critical thinking. Our meeting was motioned to be adjourned and passed.

Respectfully, Alexi Hunter

WI 4-H & Youth Conference

Last week we had three Trempealeau County 4-H Youth attend the WI 4-H & Youth Conference in Madison, Wisconsin. The youth participated in different sessions of their choice, practice leadership skills, watch on-stage performances, practice community service, and met 4-Hers from across the state. Kanah Slaby, Morgan Baier, and Devon Baier were the three delegates from Trempealeau County that attended! Ask them about their experience if you see them!

A little more information about WI 4-H & Youth Conference:

Wisconsin 4-H & Youth Conference is a three and a half day Statewide Educational Experience. Youth from all over Wisconsin come to Madison, Wisconsin for educational seminars, assemblies, speakers, exploration, and fun on the UW-Madison campus! Youth Conference is made possible by contributions from our State Teams (Wisconsin Leadership Council, Drama Company, Art Team, and Communications team), 4-H staff from across the state, and a planning committee made up of staff, volunteers, and youth. Below you will find highlights of the different parts of Youth Conference that come together to make it a wonderful Educational Experience.

Trempealeau County Livestock Team

Area Animal Science days was held on June 18, 2019 at St. Croix Falls in Polk County. The Trempealeau County Senior team participated in the event and the team consists of: Mara Quarne, Blake Johnson, and Tyler Johnson. The team placed second at the Area Animal Science Days competition. Blake Johnson was 2nd and also won the oral reasons portion of the contest, Tyler Johnson was 4th, and Mara Quarne was the third member of their team.

They are waiting now to see who is invited to the state contest. Great job to the Trempealeau County Senior Team at Area Animal Science Days! You are representing yourselves, your knowledge and hard work, and the county extremely well!

Wisconsin Waiver for Pullorum Testing for Poultry at Fair: Update

The law requiring pullorum testing for "persons who use poultry or farm-raised game birds or their eggs for breeding or hatching or for the exhibition at a fair or livestock exhibition" has been waived as of April 22, 2019. The waiver will remain until it is determined that pullorum antigen is sufficiently available. It is unclear when that date may be.

All 4-H members received an email about poultry testing a few weeks ago, this is an update since that email. This update is from the State of Wisconsin.

What this means: Poultry can be shown at the fair without testing this year—at least until new antigen becomes available. Notification will be sent if more antigen has become available and if it is needed to be shown at fair this year.

Entry Tag Pick Up for Drawing and Painting Exhibitors

The fair board changed the normal fair clean up/entry tag pick up day to July 13th, which is the same day as drawing and painting judging. We now need to get the entry tags to those exhibitors ahead of time to prepare for the judging on July 13th. Here are the scheduled times that only drawing and painting exhibitors can pick up their entry tags.

Entry tag pick up time for drawing and painting exhibitors only - at the Fair office:

- Friday, July 12th from 5-6pm
- Saturday, July 13th from 8-9am (drawing and painting entries need to be in place by 9am)
- Entry tags for all other exhibitors will be available on Saturday, July 13th at noon for those who have paid their entry fee, and at 1:15pm for those that have not paid their entry fee yet.
- Entry tags will also be available on Wednesday, July 17th from 10am to 6pm.

If you absolutely cannot make one of these times, please contact Cindy at tcfair@live.com

Fair Clean-up & Entry Tag Pick-up

Please note that the Fair Clean-up and Fair Entry Tag Pick-up date has CHANGED.

The new date for Fair Clean-up and Fair Entry Tag pick-up will be Saturday, July 13th, 2019 starting at 10 AM.

Please note that the special fair project this year will be painting the fence, so please wear appropriate clothing. Also, if anyone has extra paint brushes that they can bring, please bring them to help with the project!

Missing Fairbook Pages

Some pages are missing from some, but not all, of the Fair books this year. The books with the missing pages are as follows:

- After page 42 it skips to page 45 (so page 43 and 44 are missing) (Jr. Poultry & Horse)
- After page 56 it skips to page 59 (so page 57 and 58 are missing) (Drawing/Painting and Cultural Arts)

You can find the fair book online as well here: <http://www.trempealeaucountyfair.com/fair-book.html>

Junior Livestock Participants

Jeni Balk from the Arrow Shopper is wondering if you wish to take advantage of space available on the "thank you" pages for the auction in 2019?

There are 40 ad spaces available. Once all the spaces are sold, regular rate will be charged. Take advantage of the \$35 rate and save yourself \$17.00.

New this year, the pages will be in both papers. There is a printable form to fill out prior to the auction, to make the process go faster and smoother. The form can be found here: <https://trempealeau.extension.wisc.edu/2019/06/03/junior-livestock-auction-participants/>

Deadline to take advantage of this is Wednesday July 24th, 2019 at noon.

Please remember this is a cash or check ad and payment is due at time of ad placement. Call or email Jeni at: Jeni@arrowshopper.com or 608-863-3905

Fair Entry Deadlines

Junior Exhibitors paper entry deadline is June 15th. Online entry forms are due on or before June 30th. All exhibitor payments must be postmarked or paid online by June 30th to avoid a \$20 late fee.

If you have fair related questions:

The fair is put on by the Fair Board who is comprised of Trempealeau County Agricultural Society members. If you have fair related questions, including Fair Entry questions, you can reach out to Fair Board members or the Trempealeau County Fair Secretary, Cindy George, at tcfair@live.com.

If you would like to be a gate worker at the fair, the Trempealeau County Ag Society is in desperate need of YOUR help! If an organization is looking for a way to earn money this is a great opportunity for you! For example, if you have 4 people working 4 hours, the Trempealeau County Ag Society will donate \$320.00 to your organization! Let [Michelle Rose](#) know if your club is interested!

Trempealeau County Fair Pie 'Buy' the Slice!

Enter pies in three categories: Double crust, Cream/Meringue, and Any Other Pie. There is a \$5 fee for each pie that you enter and you register pies at the LOG CABIN from 1—2 PM.

As the Pie Baking Contest is being judged, enjoy a slice of the best pies in Trempealeau County!

There will be 3 first place awards in each category that receive \$20. There will be 3 Honorable mentions that will receive \$10 each. Lastly, there will be \$100 cash to the non-profit club or organization that enters the most pies!

Pie slice costs \$2.50 OR Pie with Ice Cream costs \$3.00

Trempealeau County Souvenir Map

The Trempealeau County Economic Development & Tourism Coordinator is working with a local artist to create a collectible poster/map of Trempealeau County which through hand drawn illustrations will highlight some of the features, both man-made and natural, that make Trempealeau County an incredible place to live, work, and play.

To do this, they need to know what things YOU think make Trempealeau County special. Some examples could be Pie in Osseo, Old Main in Galesville, the River in Trempealeau, Crystal Lake in Strum, etc. Festivals, major industries, natural resources, and anything that can be illustrated are fair game!

When this project is completed, we hope have the poster, and other souvenirs we make from it (such as postcards, mugs, t-shirts) available to the public to better market our county. Please email Rob Grover at rob.gorver@co.trempealeau.wi.us with your ideas!

Trempealeau County Fair 2019 Hall of Fame Nominations

The Trempealeau County Agricultural Society is seeking nominations for two awards created to honor individuals who have contributed outstanding leadership and support to the county fair. The fair has benefited from the selfless dedication of so many people, and we feel it is important that their contributions are not forgotten. These awards can be given to a volunteer, participant or staff member, for assisting the fair in the development or implementation of a concept that dramatically impacted the fair.

The two awards seeking nominations include:

- **The A.A. Arnold - Pioneer Award:** Presented to honor those who have made significant contributions to the fair during the period 1858 - 1958 (the first 100 years). Individuals, family members and others are welcome to nominate deserving candidates.
- **The Hall of Fame Award:** Presented to those who have provided outstanding dedication, leadership and/or support of the Trempealeau County Fair for the period 1958 - present and can be awarded to individuals who are living or the families of those deceased.

Nominations are due either by mail or email no later than July 10th. Nomination forms are available on the fair website (<http://www.trempealeaucountyfair.com/>), additional information is available by contacting either Tim Byom, Dennis Frame or any member of the fair board.

Record Books

We are excited to announce that we have come out with more options on how to make a 4-H record book! I wanted to recognize that there are different ways that youth like to do things and that there are different ways to put together a Record Book that will best represent the youth and their experience in the 4-H program that year. Also, it should be noted that you can still do the 'Traditional Record Book' as well if you'd like to—that option has not gone away!

Check out information on Trempealeau County Record Books on our website here: <https://trempealeau.extension.wisc.edu/4hyd/forms-applications/record-books/> OR check out the 4-H [Record Book Guide for Trempealeau County](#).

Poultry Project Members

There will be NO poultry tags printed for the Trempealeau County Fair this year for the poultry project members. If you have questions please contact Rosa Mooney at livabelleacres@yahoo.com

Becoming a 4-H Volunteer

4-H Volunteers are valued partners in working with our youth and help make 4-H possible. In order to volunteer, previous 4-H Youth Development experience is not necessary. The most important qualification is a desire to work with young people and help them grow through educational experiences and gain positive life skills. Please consider sharing your time and talents! Adult volunteers working together with youth make a difference in the lives of young people.

Volunteers work with UW-Extension professionals to develop the life skills of youth members, thus benefiting the state, employers, and the economy. Volunteers extend the resources of UW-Extension as they work with staff to deliver educational programs. Volunteering is a privilege. How does one become a volunteer? If you have not already done so, go to Wisconsin 4HOnline and create a family profile.

If your family is already in the system, do not create a new family profile, just make sure you are entered into your family account and check that you want to be a 4-H volunteer. Then sign-up to take the Online Mandated Reporter Training for 4-H Volunteers. After signing up for the Online Mandated Reporter Training sign up to attend a VIP Training session. Once you've completed your Online Mandatory Reporter training and VIP training, a background check will be conducted on you by the state and you will be contacted by GIS through e-mail requesting additional information needed in order for the state to conduct the background check.

**THE NEXT VIP
TRAINING IS OFFERED
ON WEDNESDAY,
JULY 17th!**

If you are interested email Sarah Tanis to schedule a time and location on the 17th to be trained!

State 4-H Plant Science Day

A fun way to learn about Horticulture Science, the State 4-H Plant Science Day will be held on Tuesday, July 19, at the Waushara County Fairgrounds in Wautoma. Youth in grades 3-13 can test their knowledge about plants while learning how to judge and identify a wide variety of plant specimens. Youth can also compete in photography, speaking, poster, and floral arranging contests. For study guide information and to prepare for the contests, see the National Junior Horticultural Association website at <http://www.njha.org/>. For additional information, contact Chuck Prissel at 715-485- 8600 or charles.prissel@wisc.edu

The contests will be held in the morning and an educational workshop in the afternoon, concluding with contest results. The event begins with registration at 9:30 a.m. and ends at 2:00 p.m. Registration is \$10.00, which includes all materials, handouts, and lunch. Walk-ins are welcome, but pre-registration is preferred for lunch and material count.

Send no money now, but fill out the registration form and mail to: **State 4-H Plant Science Day, Polk County Extension Office, 100 Polk Plaza Suite 190, Balsam Lake, WI 54810. Registration Deadline is June 21, 2019.** If participants require special assistance or have special needs, please call 715-485-8600

- For more information, including payment details and the entry form, go to the website here: <https://trempealeau.extension.wisc.edu/2019/07/02/dog-project-northwest-4-h-agility-fun-match/>

4-H Leaders Association

The next meeting WILL BE AT THE FAIR! The meeting will take place on Friday, July 19th at 11:30 AM at the family tent. Please note that we will be voting on the budget for the next (2019-2020) fiscal year as we did not have enough in attendance at the June meeting.

We have all of our meetings scheduled out INCLUDING the topics that we will be talking about at these meetings. They are advertised on our webpage. Everyone is welcome to attend any and all meetings, but we will have meetings with a focus for different individuals (i.e. 4-H youth and families, parents, club leaders, project leaders). We hope to see more of you at our meetings to get your feedback and input on the 4-H program!

For more information about the board please check out our webpage here: <https://trempealeau.uwex.edu/4hyd/4-h-leaders-board/>. If you would like to add an item to the agenda for the 4-H Leaders' Association, or comment about something please fill out the following link: <https://goo.gl/forms/ok4Zml5wunkD0Jz42>

Please note that the Parent and Leaders Board has a *NEW* email address and you may receive emails from it. The address is trempealeuleadersboard@gmail.com and you can use this to contact the board directly.

EVENTS

4-H Little Miss & Little Mister Cloverbud Program

We are excited to announce that the 4-H Little Miss & Little Mister Cloverbud Program Ceremony will take place at 4 PM on Thursday, July 18th at the Trempealeau County Fair! The ceremony will take place in the family tent and we would love for our 4-H families to come out and support our youngest 4-Hers!

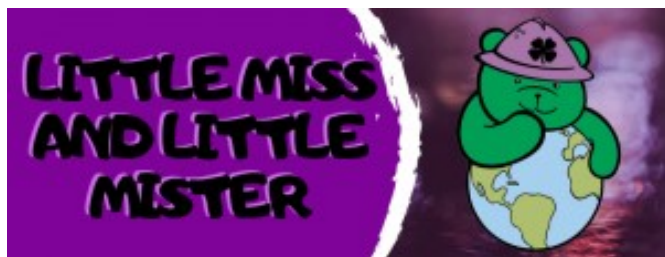

The Little Miss/Mister Cloverbud Program is a contest for Cloverbuds (5K through 2nd graders) to participate in that gives them the opportunity to learn more about leadership, speaking, socializing, and to grow their own skills a bit!

More information can be found here:

<https://trempealeau.extension.wisc.edu/4hyd/4-h-programs/little-misslittle-mister-4-h-clover-contest/>

La Crosse County 4-H Horse Project Champ Show

The La Crosse County 4-H Horse Project is proud to sponsor and welcome you to the 4-H Champ Show!

This show is open state-wide to 4-H horse project members who have received a 1st or a 2nd in qualifying classes at their county fair. The purpose of the 4-H Champ Show is to provide opportunities for horse project members to grow in their project. The goals of this show are to provide a positive atmosphere of learning and camaraderie; build members' self-confidence; allow members to demonstrate their skills; while focusing on safety and good sportsmanship.

Please mark your calendars for August 31, at the La Crosse Interstate Fairgrounds. Entries must be postmarked within 7 days of the qualifying show and sent in ONE package per county.

If you have any questions about this event please contact the La Crosse County Extension Office at 608-785-9593 or via email at lacrossecounty4h@lacrossecounty.org
