✻ Trempealeau County 4-H Newsletter ✻

**AUGUST 2019**

**Dear 4-H Families and Friends:**

Congratulations to everyone that brought projects to the Trempealeau County Fair and showed off their amazing work! It was great to talk to everyone to learn more about your projects and to see all of the hard work you put into them! Also—we all survived this years crazy-weather fair!

Now that the fair is now over, and it's time to work on and finish up your Record Books! This is your opportunity to think about your involvement in the 4-H program over this past year, your projects, your club activities, and your community service projects. It is time to take a few minutes to evaluate what went well, or what could have gone better for you—and how to make those changes to make the next 4-H year even more successful!

This year, we are VERY excited to announce that we have some new options on how you can go about creating a record book. You don't have to stick to the regular old record book style if you don't want to! More information about these changes can be found on [page 5](#) of this newsletter.

Yours in continued partnership,  
Sarah Tanis, 4-H Program Coordinator for Jackson & Trempealeau

## Shout Out:

Shout out to our 2018 Little Miss and Mister Cloverbud for helping the Trempealeau County 4-H Program over this past year! Miss Elizabeth 'Ellie' Erickson from the Ettrick Eagles 4-H club and Mister Kaleb Johnson from the Glasgow-Hardies Creek Busy Bees 4-H Club did a FANTASTIC job of public speaking at this years ceremony for the 2019 Little Miss/ Mister Contest, helping out at county 4-H events throughout the year, and helping lead the 4-H Cloverbud project in the county.

Thank you both for your wonderful service, leadership, smiles, and friendliness this past year!

## Glasgow Hardies Creek Busy Bees

On July 7th, 2019 the Glasgow Hardies Creek Busy Bees met at the Glasgow Hardies Creek Community School House. After the American and 4-H pledge Alexi read the secretary's report and we didn't get a treasurer's report due to the reports weren't finished for that month yet.

Alexi reminded the members present that there were shifts that still needed to be filled for the fair. Our club then all agreed on for the fair clean - up that we wouldn't meet as a whole club, we would just meet with our project groups and discuss about their plans. Heidi then told the group that she received a donation from the Brewer's. This donation was from when we asked teams and businesses for donations for last year's community service project. We then brainstormed ideas of how we could raffle it off. In the end we decided that we would have her talk to people we know that have a raffle license and see if they could help us out so we could get money and put that to cover the remaining expenses.

The members then participated in the "buzz word" communication. Our meeting was then motioned to be adjourned and passed.

Respectfully, Aleah Hunter

## Little Miss and Little Mister Cloverbud Program

This year was the 5th year of our Little Miss and Little Mister Cloverbud program! The intention of this program/contest is to grow our youth within 4-H, their knowledge of 4-H, and to have a Little Miss and a Little Mister represent 4-H throughout the year. From the beginning, the intention of the Trempealeau County Little Miss and Little Mister 4-H Cloverbud program has been to offer our youngest 4-H youth the unique opportunity to:

- Grow their knowledge and understanding of 4-H
- Develop their confidence and leadership skills
- Encourage 4-H involvement on a club, community, county level, and beyond
- Represent the 4-H youth of Trempealeau County at various activities and events, all while continuing to grown in their own confidence and leadership abilities

At the Trempealeau County Fair we had the Little Miss and Little Mister Cloverbud Ceremony. At this ceremony our four contestants for the 2019 contest were able to be interviewed and answered questions on stage. After the interviews we announced and crowned the 2019 Little Miss and Little Mister.

Our four contestants for this year were:

- Adelaide Jessie
- Tristan Johnson
- Aubrey Hogden
- Kinley Giemza

**Congratulations to Kinley Giemza and Tristan Johnson, both of G/H Creek Busy Bees 4-H club, for becoming Trempealeau County 4-H 2019 Little Miss and Little Mister Cloverbud!**

### 4-H Record Books

We are excited to announce that we have come out with more options on how to make a 4-H record book! I wanted to recognize that there are different ways that youth like to do things and that there are different ways to put together a Record Book that will best represent the youth and their experience in the 4-H program that year.

Also, it should be noted that you can still do the 'Traditional Record Book' as well if you'd like to—that option has not gone away!

Check out information on Trempealeau County Record Books on our website here: <https://trempealeau.extension.wisc.edu/4hyd/forms-applications/record-books/> OR check out the [4-H Record Book Guide for Trempealeau County](#).

### CLUB AND PROJECT LEADERS: 4-H Club/Project Charters

4-H Charters are very important for a 4-H Club, or chartered project, to have completed. This process should not be taken lightly and should involve all members of the 4-H club—so be sure to start now! It is a great opportunity to go over your clubs goals and to work as a team.

Information and forms about charts can be found on the website here: <https://trempealeau.extension.wisc.edu/4hyd/forms-applications/> and if you have any questions please do not hesitate to ask Sarah Tanis.

**The deadline to return the completed Charter to the Extension Office is October 15th.**

### Thank you Notes

Remember to write thank you notes to those who sponsored trophies you won at the Fair and also to auction buyers. The addresses of the trophy sponsors are on the bottom of the trophies.

ALSO, take time to thank your family members, friends, club members, or volunteers if they helped you with anything to get your animals ready, your projects ready, or helped with pick-ups and such. We need to make sure we are being thankful to those around us who support us and make our opportunities realities! This includes our wonderful fair board members who made the Trempealeau County Fair possible!

## Becoming a 4-H Volunteer

4-H Volunteers are valued partners in working with our youth and help make 4-H possible. In order to volunteer, previous 4-H Youth Development experience is not necessary. The most important qualification is a desire to work with young people and help them grow through educational experiences and gain positive life skills. Please consider sharing your time and talents! Adult volunteers working together with youth make a difference in the lives of young people.

Volunteers work with UW-Extension professionals to develop the life skills of youth members, thus benefiting the state, employers, and the economy. Volunteers extend the resources of UW-Extension as they work with staff to deliver educational programs. Volunteering is a privilege. How does one become a volunteer? If you have not already done so, go to Wisconsin 4HOnline and create a family profile.

If your family is already in the system, do not create a new family profile, just make sure you are entered into your family account and check that you want to be a 4-H volunteer. Then sign-up to take the Online Mandated Reporter Training for 4-H Volunteers. After signing up for the Online Mandated Reporter Training sign up to attend a VIP Training session Once you've completed your Online Mandatory Reporter training and VIP training, a background check will be conducted on you by the state and you will be contacted by GIS through e-mail requesting additional information needed in order for the state to conduct the background check.

## THE NEXT VIP TRAINING IS OFFERED ON WEDNESDAY, SEPTEMBER 19th!

If you are interested email Sarah Tanis to schedule a time and location on the 19th to be trained!

## 4-H Leaders Association

The next meeting is on **Monday, August 26, 2019** and will take place in the Trempleo Room in the Trempealeau County Government Center, Whitehall, WI at 6 PM. PLEASE NOTE THAT THIS IS A DIFFERENT DAY THAN USUAL DUE TO MEMORIAL DAY.

We have all of our meetings scheduled out INCLUDING the topics that we will be talking about at these meetings. They are advertised on our webpage. Everyone is welcome to attend any and all meetings, but we will have meetings with a focus for different individuals (i.e. 4-H youth and families, parents, club leaders, project leaders). We hope to see more of you at our meetings to get your feedback and input on the 4-H program!

For more information about the board please check out our webpage here: <https://trempealeau.uwex.edu/4hyd/4-h-leaders-board/>
