Hello Everyone!

I wanted to take the time to introduce myself incase people have not heard, I am Andrea Rippley and I am the new 4-H Program Coordinator. I will over see both Trempealeau and Jackson Counties just like Sarah did so the position has not changed much. I look forward to getting to know the members in both counties! If you have questions feel free to call or email me I would be happy to help!

With summer coming up quick I want to spend some time with clubs before all of the summer programs start! If you have an event or club meeting that you want me to attend feel free to reach out! I will also have a sign up coming out this month so you can request an activity for me to bring to your meeting!

Andrea Rippley

Do you want the latest updates in-between newsletters? Check out the Trempealeau County 4-H Facebook Page! I post reminders and upcoming events often plus I will post news that does not make the newsletter!

November

December

January

Upcoming Events

Does your club have an upcoming event they want featured in the newsletter? Send the dates and a description to Andrea before the 15th of each month! I want to have a calendar full of the exciting things that Trempealeau County 4-H has to offer. My only problem is I don't know about all of the events and deadlines yet! I am looking for project events open to the county, fun community events, volunteering opportunities for our members or even local scholarships! The more we know the better! If I have them at least a month in advance I will post them on the Trempealeau County Facebook page as well!

I plan to use the Facebook page to remind everyone of the deadlines and upcoming events between the newsletter. If you have not already go and give it a like!

Why am I Pending?

Are you a volunteer leader who has re-enrolled in 4-H Online but has yet to be approved? You may be missing some critical certifications to have your approval official. There are 6 steps to becoming a volunteer in the 4-H Program and many are missing only a couple steps. So what should be done? Visit the Trempealeau County Extension Website, there is a check sheet available to help keep track of your progress. If you are still confused feel free to call Andrea and she will help point you in the right direction.

4-H Ambassadors Program:
Rosa Mooney, 608-863-3483

Shooting Sports Volunteers Wanted

It has come to my attention that we are in need a certified shooting sports volunteers. These individuals would be in charge of the Trempealeau County Shooting Sports Program and would need to take an extra certification course in the area they wish to teach such as Archery, Pellet Rifle, Small Boar Rifles, Shotgun or Trap. You can only get certified in one per year but there are sessions held every spring to train volunteers. If you or someone you know may be interested in leading this program please contact Andrea with any questions you may have.
