

# Raising a Thinking Child

Tuesday, March 17<sup>th</sup>, 24<sup>th</sup> and 31<sup>st</sup>  
April 7<sup>th</sup> and 14<sup>th</sup>

Meal from 5:30-6 pm. Session from 6-7 pm.

Blair-Taylor Elementary School

N31024 Elland Rd, Blair, WI 54616

Parents who complete all 5 sessions will receive free  
Raising a Thinking Child book by Myrna Shure, Ph. D.

**This program is FREE and includes  
dinner and childcare for youth 2+  
years old!**

If you are a parent of a 4-7 year-old  
and your child has experienced  
any of the following:

- ◆ Temper tantrums
- ◆ Difficulty making or keeping friends
- ◆ Impatience or interrupting
- ◆ Not listening

Then the **Raising a Thinking Child** workshop may be just right for you! This evidence-based workshop series will help you guide your child to solve common, everyday problems by communicating with your child.

## Participants will learn:

- ◆ To give their children skills to solve their own problems and think about the consequences through fun games
- ◆ How to help kids care about and understand their own and others' feelings
- ◆ This program is facilitated by Adam Trunzo, UW-Extension Youth & Family Educator.
- ◆ It is a refreshingly practical curriculum that helps you help your child learn how to think, not what to think.
- ◆ Through 5 weekly classes, along with interactive, fun activities for you and your child to do at home, you will learn how to help your child think in new problem-solving ways.

An EEO/AA employer, University of Wisconsin-Extension provides equal opportunities in employment and programming including Title VI, Title IX, and the Americans with Disabilities Act (ADA) requirements. If you require reasonable accommodations to participate in this programming please call Adam Trunzo at 715-538-2311 ext 210 as soon as possible.
