If you need more information on registering as a participant, please find more information here: [Register for an Event](#). Registration closes on November 10th! Be sure to ask your county 4-H Educator if you have issues with registration!

The cost of the program is \$15 per participant. When registering you will have the option to add a Cultural Cookie Cookbook to your materials, the cost of those books is \$15 so there will be an additional cost. If you have program-specific questions feel free to reach out to Andrea Rippley the Trempealeau and Jackson County 4-H Program Educator: andrea.ripple@wisc.edu or 715-538-3451.

VIP Training:

VIP or Volunteers in Preparation training is for anyone who wants to work with youth one-on-one and teach sessions like a project or club leader. If you have signed up to be a volunteer in 4-H Online and I have not approved you yet, it might be because of this. Look for this symbol. This symbol means that you will need to complete either VIP or mandated reporter training. The mandated reporter is an online course in 4-H Online that you can complete on your own time. VIP, however, has

to be taught by either myself or another educator virtually or in person. This training covers many topics on creating a safe environment for youth and takes about 90 minutes.

I prefer to do VIP training on weeknights in September-April because the rest of the year gets pretty busy for everyone, especially in the summer.

Want more information about VIP? Email me! I would be happy to answer your questions!

Andrea.ripple@wisc.edu

Watch for the training in this section of the newsletter.

Jack Pine Room Usage:

I have recently been updated about the usage of the Jack Pine Room (Conference room in the Extension). I was under the impression that it would be available to groups, such as 4-H, to use after hours. I have recently learned that the county will not allow the use

of our facilities after hours. I know I have said it would be available as I thought it would be until recently.

If groups want to use the room, an educator has to be there. I am more than willing to attend meetings so that groups can use the space. If you want me to participate in a session, please get in touch with me before the meeting to put it on my calendar.

Farmers Market:

There is still a fundraising opportunity for youth at the Farmers Market. Markets will happen on Saturdays October 23& 30; November 20 & 27 and December 11 & 18. Selling times are 9 am to Noon.

There is an option for youth to sell Cook Books or other things they can make. There is a table available for 4-H Youth to use at the farmer's market. If this is something you are interested in, please contact Kelly Emerson. She is a regular at the farmer's market and will help you.

**2021 Jackson County
Winter Farmers Market
Application**

American Legion Hall – Hwy 54 West - BRF

Market Dates: All Saturdays – Oct. 23 & 30; Nov. 20 & 27 and Dec. 11 & 18

Selling from 9 a.m. to 12:00 Noon (I'll try to have the building open by 8 a.m.)

Vendor Fee: \$60.00 (this will be adjusted based on final rental cost and number of vendors, but I am assuming that the fee will be at least \$45.00 for the season)

Booth locations will be determined by random drawing before the Oct. 23 sale. (I'll try to have this organized by Oct. 2nd)

The names of all registered vendors will be placed in a hat and randomly drawn. Vendors will get to choose their preferred location in the order drawn. Vendors not included in the drawing will be assigned spaces according to availability. Each vendor will be allowed at least eight feet of selling "frontage", this will depend on the total number of vendors.

Vendor Information: (if you were registered for the summer market you will not need to provide the signed copy of the JCFM 2021 Rules or your insurance papers). If you did not participate in the summer market you will have to provide a signed copy of the JCFM 2021 Market Rules (see website) and verification of liability insurance before you will be allowed to sell.

Learn By Doing

4-H[®] EXPERIENTIAL LEARNING MODEL

Since 4-H started in the early 1900s, the idea of “learning by doing” has defined the program. This hands-on process allows youth to understand not only how to do something but also why they’re doing it. This model is known as the Experiential Learning

Failure is OK!

One of the biggest challenges (and benefits) of experiential learning is not always being successful immediately. It might be hard to sit back and watch your youth struggle, but it’s a valuable lesson. 4-H is supposed to be a place where you can fail in a safe environment. Learning is a process—change from failure is ok!

Support your youth and encourage them! The first arrow in an archery lesson might miss the target, but you’ll be amazed how your youth progresses after ten, fifty, one hundred more attempts.

Car Ride Questions

It’s pretty common for 4-H members to share what they learned with their peers and the adults leading a project. The learning doesn’t end when youth leave the activity and head home! Take time with your 4-H member to reflect on their experience. Ask some questions to see what they learned and to help them think critically about the activity they just did. Reflection is an important part of learning by doing, and you as a caregiver can help support the process. Here are some questions you could ask:

- What was the easiest part of the activity? What surprised you?**
- What were some problems that came up over and over? How did you handle them?**
- What was the most challenging part of the activity? Why? How did you solve it?**
- What advice would you give to someone who wants to do this activity?**
- How can you use what you learned?**

Source: Reflection Questions for Experiential Learning Activities, UW-Madison Division of Extension (2015) by Brianna Stapleton Welch

Encourage your youth 4-H member to try the origami activity on the opposite page. Then reflect with some of these questions!

Do you have special skills or knowledge that you would like to share with 4-H youth? Check with your local 4-H educator and ask about signing up as a Project Leader!

Have a minute? Please provide feedback by filling out this [5-question survey](#)

Origami Hearts

Have you ever tried origami before? Origami is the art of paper folding. Try to make a heart out of a square piece of paper by following these steps! If you don't understand a step, ask an adult for help!

Start with a 6" x 6" square piece of paper. If you're using origami paper, put the side with the color pattern face down on the table.

Fold paper in half on the diagonal, bringing top corner to bottom one. Unfold. Fold in half again, bringing right corner to left one. Unfold.

Fold top point of paper to meet center crease.

Fold bottom point up to meet top fold.

Fold right side up diagonally to align with center.

Repeat on left side to meet center crease.

Flip over folded paper; fold side and top points in 1/2".

Flip over and insert a slip of paper with a message into pocket of heart.

Instructions used with permission from Amanda Kingloff, ProjectKid.com, "[Origami Heart Valentines](#)." Photos by Heidi Vanderloop Benson.

How did it go?

Did you get it right the first time? If you did, great job! If you didn't, try it again! It's normal to not get an origami fold perfect on the first try. Try to see if you can perfect the skill. After you have this one down, try to create some other new folds!
