## **Shooting Sports Leader Information:**

Adult volunteers interested in becoming Certified Shooting Sports leaders can check out the website below. The state website has all of the upcoming training where leaders can train in a discipline.

Jackson County has a thriving shooting sports program, and Trempealeau County is building theirs from the ground up. Both programs are always looking for more volunteers.

## **Forms and Applications:**

If you are ever looking for a scholarship application, funding request form, New Family Handbook, Participating Disc Catalog, Project grants, and more, check out the Forms and Applications page on both County websites. Each county has lots of available resources, and these are specific to the program they support.

### **Jackson County**

## **Clover Connections:**

Clover Connections is a video series that is available on YouTube. Educators from Wisconsin 4-H have put together a series about running meetings and many other details that can help your club run smoothly! This is an excellent resource for new and experienced club leaders! Some videos were filmed during Covid, but the information is still relevant! Check them out at the link below!

[https://www.youtube.com/playlist?list=PLWYkTfj\\_LDJbQxoDTzctjb3emV956zvO7](https://www.youtube.com/playlist?list=PLWYkTfj_LDJbQxoDTzctjb3emV956zvO7)

## **Club Administration Resources:**

Here are some great resources for leaders who need guidance with club administration! You will find information on Bylaws, Financial Tools and Resources, 4-H Online, and Forms.

Bylaws are super important to all clubs and groups! If your club has lost its bylaws or wants to create new ones, check out the new bylaws template! This is a project I have been working on for over a year with other educators to help support community clubs! We only have one geared toward Community Clubs, but we will soon have one for Project Groups and Leaders Associations.

Financial Tools and Resources Money Management resources and financial policies. If you want to touch on these details, feel free to check them out!

4-H Online, here are some resources to help you navigate 4-H Online. There is a resource library to help you use the program.

Be sure to check out these at this link:

<https://4h.extension.wisc.edu/opportunities/start-here/4honline-for-families/>

## **VIP Training:**

VIP or Volunteers in Preparation training is for anyone who wants to work with youth one-on-one and teach sessions like a project or club leader. If you have signed up to be a volunteer in 4-H Online and I have yet to approve you, it is because of this. You must complete either VIP (in-person Training), mandated reporter training (Online), or Title IX Training(Online). I will shift towards less pre-scheduled VIP training and more to working with your schedule. I am also willing to come to club meetings and training adults there! Please contact Andrea if you are interested in scheduling a VIP training!

The mandated reporter is an online course in 4-H Online that you can complete on time. VIP, however, has to be taught by either myself or another educator virtually or in person. This training covers topics like creating a safe environment for youth, insurance, what to do in an emergency, and more. It takes about 90 minutes.

I prefer to do VIP training on weeknights in September-May because the rest of the year gets pretty busy for everyone, especially in the summer.

Want more information about VIPs? E-mail me! I would be happy to answer your questions!

## **State Policies:**

Here is the link to the State 4-H Policies. This is an excellent resource for clubs planning events this fall or if members are curious about a specific project. There are policies for using clover for financial management and everything in between!

JACKSON AND TREMPEALEAU COUNTIES 4-H NEWSLETTER

## **Andrea is on Maternity Leave now. What?:**

My husband and I are expecting our first child in January 2023! I should be back around the end of March.

With that, I have been working on delegating tasks in my absence. Tami Monson in Trempealeau County will handle the newsletter. Her contact information is as follows:

[tjmonson@wisc.edu](mailto:tjmonson@wisc.edu) and 715-538-2311 Ext: 208

I will not be available by phone or email during my maternity leave. Please get in touch with Tami with questions or concerns.

What can Tami help with? She has access to 4-H Online Trempealeau and Jackson County and can do everything I do.

Julie Peterson retired from Jackson County on December 12<sup>th</sup>, so there will be limited coverage in the office. Please call ahead if you plan to stop in, as coverage will be limited during the transition as the county hires a new support staff.

## **4-H Meat Judging Contest:**

Mark your calendars for the upcoming State 4-H Meats Judging Contest on Saturday, February 4, 2023! If you have participated in the past, or this is the first time you have heard about the contest, we would love to have you join us for this day of learning, fun, and competition.

What is the 4-H Meats Judging Contest? Have you been to your local meat market or grocery store lately and thought you could choose the best cut of meat out of the case? Have you ever watched a live animal contest and thought you could choose what animals would provide the best meat products? This is your opportunity to put those skills to work. This contest tests the knowledge of

youth in the placement of carcass and retail cut classes, carcass grading, and retail cut identification. Top teams earn the opportunity to compete at regional and national competitions.

Who can participate? You must currently be a WI 4-H member to participate in this contest. The age divisions are Junior – Age 8-13 as of January 1, 2023; Senior – Age 14-18 as of January 1, 2023. WI 4-H members in the 13th grade and who have reached their 19th birthday before January 1, 2023, are eligible to compete at this state contest as individuals but not as a team member. Youth must be in or completed 3rd grade; 8-year-old Cloverbuds cannot participate.

Even if your county has not participated in the past, round up some 4-H friends and take advantage of this fun opportunity to show your knowledge of the animal species and industry.

## Where is My Newsletter?

I often get this question: "Can I be added to your newsletter list?". You must enroll or re-enroll in 4-H Online to be on the mailing list. This is where I pull my lists from. Before sending out large emails, I update this list.

Check your SPAM folder if you have enrolled in 4-H Online but have not seen an email lately. I switched email systems to avoid this issue, but I need your help. This will help keep you connected and informed!

## Making Memories at 4-H Camp

4-H camp provides a unique opportunity for all youth to develop life skills. It helps youth build confidence and meet new people in a safe, supportive environment! Camp is meant for everyone, and campers come from all walks of life. Camps can be offered overnight, as day camps, or have a project focus. 4-H staff are committed to making accommodations to ensure that all youth have a chance to learn, grow, and have fun at summer camp!

### Why is camp **important**?

Campers and youth counselors both have a lot to gain from camp! For some youth, this is their first time away from home. For others, it is an opportunity to get back together with friends. 4-H camp gives youth the opportunity to develop independence, build self-confidence, and master new skills. Youth make new friends and get to spark new interests through camp programs. Camp counselors serve as role models and develop valuable leadership skills that will be useful for a lifetime!

### Each camp provides a **unique** experience.

Most camp programs are based on a specific theme each year. Campers are divided into small groups to create a positive learning environment during the program. They participate in a wide variety of activities. Typical activities at camp include: learning sessions taught by counselors or adult volunteers, swimming, canoeing, hiking, campfires, arts and crafts, and more!

### We've done this for awhile. **Trust** us!

4-H camps rely on years of youth development experience using research and best practices from across the nation. 4-H educators use these best practices to develop camp programming alongside their youth counselors and adult volunteers. Making camp a safe place, both physically and socially, for youth, is a priority. All youth and adult leaders receive training and educational resources to help youth work through their new experiences away from home—whether it be the campers' first time or their tenth time!

If you're still not sure how camp may be a fit for your youth member or if you need to know about special accommodations, please reach out to your local 4-H educator!
