

TREMPEALEAU COUNTY

4H HORSE PROJECT

The Trempealeau County Horse Project have over 30 youth enrolled in this countywide 4H Project. Annually the project sponsors youth centered activities focusing on horse health and training clinics, safety with horses, a three-day horse camp, county fair competition, trail rides and much more.

The horse project is made up of parents, 4H Alum, and other adults who volunteer their time and talent to the youth. These individuals donate countless hours, mileage, and dollars to enable our youth to participate in the project.

Sponsorships are the main source of funding for the horse project. Each youth member is asked to obtain a minimum dollar amount in sponsorships to be eligible to not only show at the fair but to receive a reduced rate for the horse camp tuition. All sponsors will be listed in the fair program for the horse project and throughout the fair activities.

Over the past ten years sponsorships have helped the kids build a new arena, add a warm-up pen and practice arena, land scape the show grounds, refurbish the announcer's stand update the electrical as well as install speakers in the horse barns. Sponsorship fees also assist with reimbursement to judges, trainers and other horse professionals who help educate our youth, provide horse tack, and supplies for the youth to bid on using their hard-earned bronco bux at our annual year end banquet.

In 2022, we started collecting sponsorships to update the horse stalls in the old horse barn. The old stalls have been painted and repaired for many years and we are now to the point of replacing them. We have purchased seven of the 20 stalls needed and have funds available to get us three more. We hope to be able to have all the stalls replaced by July 2023, for the fair. A stall costs \$600, if you choose to sponsor a stall your family or business name can be displayed outside the stall, you also have the option to have it sponsored in memory or honor of a loved one, two or four legged.

Please review the attached sponsorship options and retain a portion for your files as your charitable donation receipt. We greatly appreciate all donations and thank you in advance for your sponsorship.

Sincerely,

The Trempealeau County 4H Horse Project
