

CLOVER COLLEGE

April 26th from 9-2 pm at the Independence School
Open to youth in Kindergarten-12th Grade

WHO

Clover College is the perfect chance to meet awesome new people, make cool arts and crafts, learn something new, and see all the possibilities 4-H has to offer! This program is open to all youth including non-4-H members! Parents are encouraged to attend with their youth.

Registration cost is **\$10 for non-4-H members** and **\$5 for current members** for the full day including lunch. This cost covers lunch and all the sessions. We will be serving hot dogs or you can bring lunch with you.

HOW DOES THIS WORK?

Youth can pick their top 3 workshops for each session. Spots are first come, first served basis so sign up early! Please return the complete signup sheet and payment to the Trempealeau County Extension Office by **April 16th**. Online registration is available as well!

Please include a check or money order payable to: Trempealeau County UW Extension. **Your spot will be secured when both your payment and registrations are received.**

Please rank each session 1-3. One is the session you want to attend the most.

Session One: 9-10 am

Photography Basics: Learn to Capture & Edit like a Pro

Instructor: Mariah Tranberg

Grades: 6-Highschool

Class Size: 15

Join us for an engaging photography workshop where you'll learn the fundamentals of photography –from capturing the perfect shot to editing like a pro! Whether you're a beginner or just looking to sharpen your skills, this hands-on session will cover essential techniques, camera settings, lighting, composition, and post-processing. Bring your camera or smartphone and get ready to explore the art of photography! You don't have to if you don't have one. I can always let people use my phone or camera!

Rock Painting

Instructor: Kayla Eckwright

Grades: K-3rd

Class Size: 15

Get creative and have fun painting your rock! In this hands-on workshop, kids will use colorful paints to design unique rocks with fun patterns, animals, or anything they imagine. What's Included: ✓ Rocks, paints, and brushes ✓ A fun take-home masterpiece! Perfect for little artists!

How to Fit Dairy Cattle

Instructor: Jazlynn Olson

Grades: 3-Highschool

Class Size: No Limit

Slideshow teaching about tips and tricks with showmanship, working your animals at home, clipping and fitting your animals as, well other odds and ends tips and tricks that I have learned along the way.

Session Two: 10:15 am-11:30 am

Photography Basics: Learn to Capture & Edit like a Pro

Melt and Mold Magic

Instructor: Laura Rippley

Grades: K-3rd

Class Size: 10

Young soap makers will get an opportunity to make their own and customize their soaps by picking the scent, mold, and color. They will even get to package them!

Seeing What the Judge Sees

Instructor: Marlin Subra

Grades: Open to all

Class Size: No Limit

Put yourself into the shoes of a livestock judge. Learn what is expected, quite impressive and things that should be avoided in the ring. Keys to showmanship will be discussed. Join us to pick up the next tip to step up your game!

Session Two: 10:15 am-11:30 am

Bark and Learn

Instructor: Laura Boeckmann

Grades: K-13

Class Size: 15

Get Ready to Unleash Your Dog Knowledge!

What You'll Discover: Learn the essentials of dog care to keep your furry friend happy and healthy.

Understand the importance of vaccinations and how to protect your dog—master grooming techniques to keep your dog looking their best.

Explore the AKC groups and discover the unique purposes of different breeds. Teach your dog basic commands like sit, down, roll over, and come when called. Train your dog for jumps and the dog walk using a flat board.

Session Highlights: We'll bring 2 or 3 friendly dogs for hands-on learning and practice. **Please do not bring your dogs!**

Mixed Media

Instructor: Bridget Barczak

Grades: 3 and Up

Class Size: 10

What happens if you like drawing and painting and you want to make one piece of art? It can be done! Each child will create a self-portrait mixed media piece for a fair entry. So come with lots of ideas and your full imagination.

Supplies needed from home: please take a photo of your child and email a black and white photo to Andrea at: andrea.ripple@wisc.edu by April 18. The child can pose, however: smiling/serious/thoughtful/eyes open or shut/being funny, etc. whatever suits your child's mood. We need a well-lit headshot, nothing cut off in the photo. This will be used with the art created.

Session Three: 12:45 - 1:45pm

Photography Basics: Learn to Capture & Edit like a Pro

Instructor: Mariah Tranberg

Grades: 6-Highschool

Class Size: 15

Join us for an engaging photography workshop where you'll learn the fundamentals of photography—from capturing the perfect shot to editing like a pro! Whether you're a beginner or just looking to sharpen your skills, this hands-on session will cover essential techniques, camera settings, lighting, composition, and post-processing. Bring your camera or smartphone and get ready to explore the art of photography! You don't have to if you don't have one. I can always let people use my phone or camera!

Frame it up! : Getting your Art Work Ready for the Fair

Instructor: Bridget Barczak

Grades: 3rd and up

Class Size: 10

Ever wonder how to get your drawings and paintings ready for the fair? This session will help you learn what to do, from eyes and wire to a mat and frame. Leave those pop tabs and tape behind! Simple tricks to getting your artwork to look show-ready! Supplies needed per child from home: one 5x7 piece of art, photo or painting on paper that will be matted and framed. If a child's personal drawing or painting, these can be used for a fair entry depending on medium used, the instructor will help you select an entry category. If it's a photo or craft project, it could be entered in other projects as well such as Home Environment or Cultural Arts.

Rock Painting

Instructor: Kayla Eckwright

Grades: K-3rd

Class Size: 15

Get creative and have fun painting your rock! In this hands-on workshop, kids will use colorful paints to design unique rocks with fun patterns, animals, or anything they imagine. What's Included: ✓ Rocks, paints, and brushes ✓ A fun take-home masterpiece! Perfect for little artists!

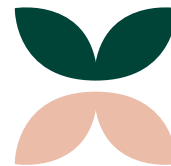

Feeding for the Fair

Instructor: Marlin Subra

Grades: Open to all

Class Size: No Limit

You can make sense of navigating protein, energy, and fiber to prepare your animal for the fair. What all those numbers on a feed tag mean anyway? Providing proper nutrition to help your animal reach its ideal weight and genetic potential.
