Large Animal Project Resources

Want to put your large animal passion into practice? Wisconsin 4-H offers resources to help you do just that! Get access to practical guides, training materials, and support to succeed in your project. Explore the available tools at [Wisconsin 4-H Large Animal Projects](#) and see your knowledge come to life!

We have the Fair Books printed and available for you to pick up! For years it has been a struggle to get the fair books to the right area of the county. After discussions, this is the plan we came up with for distributing fair books this year: Each 4-H family will get a fair book. **Leaders--please pick up your bundle at the Extension Office at the Courthouse.** The books are bundled by 4-H club with one for each family plus one for the club leader. Exhibitors who have shown in Open Class last year will be getting an email on how to get their fair book. Our plan is to have them available at the extension office and at the fairgrounds at specific times. The fair book will be posted online at www.trempealeaucountyfair.com website. You will need to enter by FairEntry between May 1 and June 20.

Fair Books Now Available

4-H Parade Policy

Parade season is right around the corner! Here is Wisconsin 4-H's Parade Policy:

Wisconsin 4-H is committed to providing safe and healthy environments for youth and adults participating in 4-H programs and activities. Preparing floats and participating in parades can be a fun way to promote 4-H, AND there are risks associated with these activities. The [4-H Parades Policy](#) outlines expectations for managing risk associated with vehicles used in parades, as well as youth and adults riding on vehicles or walking in the parade.

Before you plan your roadside clean up day look at this policy!

Regardless of the road (including state highways, county highways, streets, etc.) 4-H Clubs and Groups must follow the [Wisconsin Department of Transportation](#) rules/guidelines, youth volunteers must be at least 11 years of age or in the 6th grade, to participate in roadside clean-ups. Please note that counties or local municipalities may set stricter rules that must be followed. 4-H Clubs and Groups should consider alternative lower risk community service clean-up projects like parks, hiking trails, etc.

Roadside Clean Up Policy

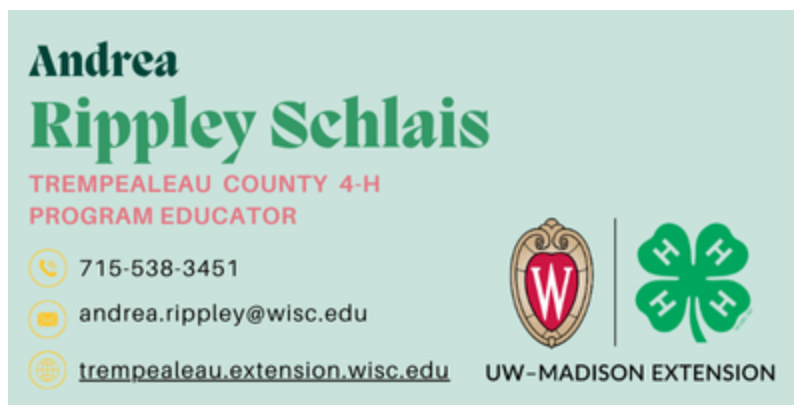

Newsletter Survey

Thank you for reading the Newsletter! This data will be used to see how the newsletter is doing being sent out weekly versus sent out monthly.
