## Cloverbud Project Resources

Cloverbuds are our youngest members in Kindergarten through 2nd Grade. They have a unique experience in the 4-H program because they get to try out different project areas before they join as club members in 3rd grade. The [State 4-H website](#) has some great resources for club leaders who want to support their youngest members. If you are looking for curricula to support your members, the office also has curricula available to be checked out.
