[Parents and Leaders](#) Page added to the Website: If you have not already checked out the Trempealeau County Extension Website, get ready to be amazed! It has had a fantastic makeover! A huge shoutout to Ericka, our incredible support staff, for her hard work in making it more relevant and user-friendly! With that exciting theme in mind, I have been reviewing 4-H pages to ensure they are fresh and up to date. As the parents and leaders board undergoes changes to their meeting schedule, I'm thrilled to introduce their very own page! This will help answer any questions and create even more clarity around their important role! Let's keep the momentum going!
