WHTL Interviews at the Fair

Every year for National 4-H Week, WHTL conducts interviews with our members to help promote their project work and give 4-H a shoutout on the radio. Interviews have low attendance, as families do not always have time to bring their members to the studio in Whitehall. This year, we are going to try something new. During the fair, Andrea, the 4-H Educator, will be walking around the fair and encouraging members to go to the merchants building to do an interview. This is just a heads-up to members who are at the fair that this is happening. If you are interested in doing an interview, you are more than welcome to go and set up a time yourself. This is a great opportunity for members who want to practice their interview skills as well as their public speaking. Radio interviews are great practice for all because you are simply having a conversation with one person.

Goose Chase

Goose Chase is a scavenger hunt app that you and your friends can use to win cool prizes! Gather your friends and download the app to start getting points! You don't have to be a 4-H member to join the fun!

Download the app and search for 2025 Trempealeau County Fair Goose Chase. If you are having trouble finding it, use the join code. Get a team together with your closest friends and start hunting!

The competition starts on Tuesday at 8 am and ends on Sunday at 4:30 pm.

Explore Volunteer Roles In 4-H

Volunteers play various roles in 4-H, and it's important to stay informed about recent updates and changes. Additionally, this is a great opportunity to remind everyone what it means to be a volunteer and to explore the diverse types of roles available.

Program Calendar

Do you want to know when a 4-H or Extension program is happening?

We have a new and updated calendar on our website! Check there for more information on upcoming programs and registration dates. I would love to add current club meeting times and other 4-H events to this calendar. Please email Andrea to add anything to the calendar.

Newsletter Survey

Thank you for reading the Newsletter! This data will be used to see how the newsletter is doing being sent out weekly versus sent out monthly.
