A graphic for the "ARTIFICIAL INTELLIGENCE CHALLENGE BY 4-H". The top half features a collage of images: a tractor in a field, a circuit board with growing plants, and a person wearing a VR headset. The text "ARTIFICIAL INTELLIGENCE CHALLENGE" is in large, bold, black letters, and "BY 4-H" is in green with a 4-H logo. Below this, a green clock icon is next to the text "Registration Deadline: Nov 15th, 2025". In the center, a green oval contains the text "National 4-H AI Challenge:" followed by "How can you use Artificial Intelligence to solve problems in Agriculture?". To the right, two dashed green boxes contain the text "Create your project and upload it in ProjectBoard" and "Youth in 6th - 12th grade". Below these is a QR code. At the bottom, the "Beyond Ready" logo is on the left and the URL "https://events.projectboard.world/4HAIinAg" is on the right.
